### DETAILED ACTION

This office action is a response to the after final amendment filed on 5/3/2005.

#### *Allowable Subject Matter*

1. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose the claimed invention such as a process of feeding the metal strip continuously through an injection molding machine to sequentially injection mold a monolithic body layer of phase change material to form the plurality of base plates for miniature hard disc drives. It is not obvious taken alone or in combination of other references fairly to suggest the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 15-17, 19-22, 24-26, 28, 32, 60, 62, 63 and 68-74 are allowed.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul D Kim whose telephone number is 571-272-4565. The examiner can normally be reached on Monday-Friday between 8:00 AM to 4:00 PM.
